Independent Exhibitor Application

COSMOPROF Beauty, is proud to present the Spring Style Show, World's Fair Hair Show and the Fashion Focus series. As the industry leader, we are committed to Salon Professionals and will feature a meaningful program designed to address timely issues in the salon industry and the newest trends.

Due to space limitations, we are only able to extend invitations to a handful of independent vendors each year to attend our shows. To apply for space, we need to understand more about your company and the products you sell; please complete the following application for consideration in the 2017 Shows. The more information you provide, the better we can understand how your service or product will benefit the attendee and fit into our show. **Products must relate to the professional beauty industry, we are unable to accept booths for weight loss products, food/beverage items, detoxifying agents/systems and teeth whitening.** Please return this application via e-mail. **We will notify applicants of space availability 60 to 90 days prior to the show. Our committee will review all applications and will notify all applications of their application status.**
